## Meet our Summer Intern!

My name is Carley Straub. I'm a senior at UNG and I am majoring in Early Childhood Education/Special Ed with a minor in Psychology. I'm from Blairsville and I absolutely love the mountains.

When I have free time, I love to be outdoors or weight lifting at the gym.

I want to work with ConnectAbility because I'm extremely passionate about working with individuals with special needs. I want to build relationships, make connections, and help people to find their place in the community.

ConnectAbility is a 501c3 non-profit organization committed to encourage, enrich, empower and equip children and adults with disabilities, their families, care providers and the communities in which they live.
