

Dear Friend of ConnectAbility,

We are looking forward to hosting our 6th Annual Golf Tournament on **Monday, October 27, 2025** at the beautiful Achasta Golf Club in Dahlonega. All proceeds from this event will benefit projects working with children & adults with disabilities and their families. As an embodiment of ConnectAbility's mission, this golf tournament is inclusive – there will be people with and without disabilities competing together.

Last year our board unanimously voted to rename our tournament: **ConnectAbility's Mikey Charlton Invitational Golf Tournament**, in honor of previous ConnectAbility Board Member, Community Connections Leadership Team member, and golf enthusiast Mikey Charlton. Mikey and his dad Jimmy have been an important part of making this tournament possible since its inception.

ConnectAbility would like to extend an invitation for you to become a corporate sponsor this year. As a sponsor, you will enjoy the benefits of community members and golfers seeing your business name on event signs, banners and social media. ConnectAbility is a non-profit organization, EIN 20-4813763, and all donations are tax deductible. Because hundreds of families in the NE Georgia region are impacted by disability & many of them have very limited resources and connections in the community, ConnectAbility is working to change that & create a fully inclusive community in which ALL members are valued, included, & empowered so they can contribute their gifts. Beginning in fall of 2001, ConnectAbility has grown to include social & learning events for people with disabilities & their family members, providing all programs at NO cost.

ConnectAbility is leading the North Georgia region in providing services and supports for children and adults with disabilities along with their families, care providers and communities in which they live. We are thrilled to be able to partner with you and your business to expand the scope of opportunities to our participants. We look forward to partnering with you to make our community more inclusive for all members!
